(c) Governing Law. If Reseller is a resident of any country in Europe, the Agreement shall be governed by and interpreted in all respects by the laws of England, without reference to conflict of laws' principles, as such laws are applied to agreements entered into and to be performed entirely within England between residents of England. If Reseller has its Territory in Middle East, Africa or a country not in Europe, then this Agreement shall be governed by and interpreted in all respects by the laws of the State of California, without reference to conflict of laws' principles, as such laws are applied to agreements entered into and to be performed entirely within California between California residents. In any event, the Agreement will not be governed by the United Nations Convention on Contracts for the International Sale of Goods and/or its implementing and/or successor legislation and/or regulations, the application of which is expressly excluded.

(d) Forum. If Reseller is a resident of any country in Europe, all disputes arising under the Agreement will be brought in the Courts of England in London, England. If Reseller has its Territory in Middle East, Africa or a country not in Europe, all disputes arising under this Agreement will be brought in Superior Court of the State of California or the Federal District Court of San Jose in Santa Clara County, as

permitted by law.

(e) Severability. If any provision of the Agreement is held to be unenforceable, such unenforceability shall not render the Agreement unenforceable as a whole. In such event, that provision shall be changed and interpreted so as to best accomplish the objectives of the unenforceable provision within the limits of applicable law.

(f) No Agency or Partnership. Nothing contained in the Agreement, including without limitation the title of the Agreement, shall be construed as creating any agency, partnership, sales agreement, joint venture or other form of joint enterprise or other similar relationship between the parties, and neither party has the authority to bind or incur any obligation on behalf of the other.

(g) Complete Agreement. Each Exhibit and Agreement attached hereto is incorporated by this reference and made a part of the Agreement as if its terms were fully set forth in the body of the Agreement. The Agreement, including the Program Guide, constitutes the entire agreement between Adobe and Reseller and supersedes and terminates any and all prior agreements, representations, guarantees, written or oral, relating to the subject matter hereof.

(h) Waiver. The waiver by a party of a breach of any provisions contained herein shall be deemed effective only when in a writing signed by both parties and shall in no way be construed as a waiver of any succeeding breach of such provision.

(i) Assignment; Name Change. Except as expressly set forth below in this section, neither the Agreement nor any of the rights or obligations of the Reseller may be assigned, in whole or in part without the prior written approval of Adobe. Should Reseller undergo a change of control, Adobe will be entitled to terminate the Agreement immediately on written notice to Reseller. For the purposes of this Section, a change in the persons or entities who control fifty percent (50%) or more of the

equity securities of Reseller shall be considered a change of control. The Agreement shall be binding upon and inure to the benefit of the parties hereto and their successors and permitted assigns. Either party will have the right to terminate the Agreement in case of any attempted assignment or transfer by the other party in contravention of this provision, and any such attempt will be null and void.

(j) Force Majeure. Neither party shall be liable for any failure or delay in fulfilling the terms of the Agreement due to fire, strike, war, civil unrest, terrorist action, government regulations, acts of nature or other causes which are unavoidable and beyond the reasonable control of the party claiming force majeure. This provision shall not be construed as relieving either party from its obligation to pay any sum due to the other party.

(k) Remedies. The parties expressly agree that a violation of certain section of the Agreement and/or the Program Guide may cause irreparable harm and that a remedy at law is likely to be inadequate. Therefore, in addition to any and all remedies available at law, a party will be entitled to seek an injunction or other equitable remedies in all legal proceedings in the event of any threatened or actual violation or any or all of the provisions set forth above in this Section. Reseller hereby waives any requirement that Adobe post a bond or other security in conjunction with any application for injunctive or other equitable relief.

(l) Compliance with Laws. Reseller shall comply with all applicable laws or regulations in all countries in which Reseller conducts business. The fact that in some countries certain laws prohibiting particular conduct are not enforced in practice, or that violation is not subject to public criticism or censure, will not excuse noncompliance with those laws.

Export Controls. Reseller acknowledges that the Software Products are subject to and must be exported in accordance with U.S. Export Administration Regulations (EAR, 15 CFR 730-774). Reseller agrees not to transfer, resell or divert any of the Software Products, to those countries that may be embargoed by the U.S.

Government (including, but not limited to, Cuba, Iran, North Korea, Sudan, and Syria). Reseller represents that it will not provide any of the Software to any entity that is prohibited from participating in the US export transactions by any federal agency of the U.S. Government. Reseller represents that it will not use or transfer these products for end uses relating to any nuclear, chemical or biological weapons, rocket systems, space launch vehicles, sounding rockets, or unmanned air vehicle systems unless authorized by the U.S. Government by regulation or specific license.

Additionally Reseller acknowledges that these Software Products may be subject to export control regulations in countries in which they operate and Reseller hereby agrees that it will not directly or indirectly export, import, transmit or use these Software Products contrary to the laws or regulations of any governmental entity that has jurisdiction over such export, import, transmission or use. If Adobe has knowledge that a violation has occurred, Adobe may be prohibited from providing maintenance and support for the Software Products, if applicable. The parties agree to cooperate with each other with respect to any application for any required licenses and approvals, however Reseller acknowledges it is Reseller's ultimate responsibility to comply with any and all export and import laws.

(m) Third Party Beneficiaries. Reseller acknowledges and agrees that Adobe's licensors are third party beneficiaries of the Agreement, with the right to enforce the obligations set forth in the Agreement.

(n) Translations. If the Agreement or any Agreement hereto is prepared and executed in more than one language, the English language version shall be controlling in all respects, and any version of the Agreement or such Agreement in any other language shall not be binding and shall have no effect. Further, each party agrees that signature by Reseller or Adobe on any non-English language version, even if there is no signature(s) on the English language

version, shall be deemed execution of the English language version and binding on the parties. Without limiting the foregoing, if there is any conflict or inconsistency between the English language version of the Agreement or any applicable Agreement and any other translated version of the Agreement or such Agreement, the English language version shall prevail.

(o) Independent Investigation. EACH PARTY ACKNOWLEDGES AND AGREES THAT IN INTERPRETING THE AGREEMENT, NO WEIGHT SHALL BE PLACED UPON THE FACT THAT THE AGREEMENT, OR A PARTICULAR PORTION THEREOF, HAS BEEN DRAFTED BY A PARTY.

(p) Other Opportunities. Each party shall at all times remain free to decline a specific opportunity at its sole discretion and may work with other product or services providers. Nothing in the Agreement shall be construed as creating any type of exclusive relationship among the parties. It is expressly understood that the parties may have or create relationships with other systems integrators, OEMs, software or hardware suppliers, distributors and/or resellers as well as solution channel partners.

(q) No Guaranty. Each party hereby disclaims any representation, warranty or guarantee regarding the success of any activities under to the Agreement, or the amount of revenues, if any, that will be generated as a result of the Agreement.

(r) Non-exclusivity. Nothing in the Agreement shall be construed as creating any type of exclusive relationship among the parties. It is expressly understood that the parties may have or create relationships with other OEMs, software or hardware suppliers, distributors, systems integrators and resellers.

(s) Counterparts. The Agreement may be executed and delivered by facsimile and in counterparts, and shall be considered as original and whole if so executed and delivered.

(t) Regional Variations. The program may include regional or territorial benefits and obligations and any such benefits or obligations

will be specific to that region and Adobe has no obligation to extend regional variations to additional territories or regions.

(u) Other Governments. Reseller will take all reasonable steps in making proposals and agreements with governments other than the United States which involve Adobe Software to ensure that Adobe's proprietary rights in such Adobe Software and related documentation receive the maximum protection available from such governments for commercial computer software and related documentation developed at private expense. The provisions of this section shall not be construed to expand the

scope of Reseller rights set forth in Section 3 ("Licenses").

(v) Entire Agreement; Precedence. The Agreement (the Program Guide and this Adobe Partner Connection Reseller Program Agreement) completely and exclusively states the agreement of the parties regarding its subject matter. It supersedes, and its terms govern, all prior proposals, agreements or other communications between the parties, oral or written, regarding such subject matter.

The Agreement is entered into and made effective as of the date accepted by Adobe.

[I HAVE READ, UNDERSTOOD, AND AGREED TO COMPLY WITH THE TERMS AND CONDITIONS INDICATED HEREIN AND REPRESENT AND WARRANT THAT I AM AUTHORIZED TO BIND THE RESELLER.]
